**ORDER CLOSING DOCKET**

(Issued November 4, 2003)

On March 10, 2003, Atmos Energy Corporation (Atmos) filed with the Utilities Board (Board) a proposed revision to its current natural gas transportation tariff. The Board docketed the tariff for further review on April 8, 2003. On June 3, 2003, Atmos filed a revised proposed tariff. Objections to the tariff were received from several parties, and the Board assigned the docket to the undersigned administrative law judge on October 3, 2003. A procedural order and notice of hearing was issued October 10, 2003.

On October 24, 2003, Atmos filed a letter in which it stated it was withdrawing "its filing of March 5, 2003 of a 3<sup>rd</sup> Revised Sheet No. 22." Although it is unstated, from the context of the letter, the undersigned assumes that Atmos intends to withdraw both the filing of March 5, 2003, and the revised filing of June 3, 2003. If this is not correct, Atmos must immediately notify the Board.

Since Atmos has withdrawn its proposed tariff revision, there is nothing for the Board to review and the docket should be closed.

**IT IS THEREFORE ORDERED:**

1. If Atmos did not intend to withdraw its June 3, 2003, revised proposed tariff in addition to its March 10, 2003, proposed revision, it must immediately notify the Board.

2. Docket No. TF-03-67 is hereby closed.
